

WHAT IS RYLA?

RYLA is:

WHAT OTHERS ARE SAYING ...

Matthew

I attended RYLA and had a fantastic time. It taught me so many things that I still use today in my everyday life. My experiences at RYLA have impacted me by teaching me everyone has their own story. RYLA taught me to never judge someone because of what they say or do.

My experience at RYLA has given me the insight to better myself for others and the community. I have gained confidence when speaking to others and I am more passionate about having a positive attitude.

My experience at RYLA taught me to not be afraid to speak up and to be a leader in any situation when one is needed. I made long-lasting friendships with some great people by going to RYLA.
